

Leave a Memorial

Every Beating of Our Heart says, "We will Remember You."

The last line of **"God's Rosebud"** by Chelsea Hanson sums up our larger vision for the Garden of Hope Wall.

The Garden of Hope is a place for closure and healing where families may hold a memorial service.

Our mission is to help those grieving the loss of a child through miscarriage, stillbirth, infant death, or abortion; also to honor those living, because every child is a gift from God.

We offer families and friends a way to remember lost children, and honor living children with a personalized mosaic tile on the garden's walls.

Garden of Hope Wall

Donors giving \$100 or more get an 8" X 12" ivy mosaic with a plaque that will be personalized. Choose from "Name Only," "In Memory Of," "In Honor Of," or "In Christ's Arms", plus a favorite faith scripture address. Each created by Carol Castro.

Honor a Child

After sections of mosaic tiles are complete they will be installed on the secluded, eight foot high wall of the Garden of Hope, located behind The Center.

Set on the sloping hill on our back property, the symbolic heart-shape design of the garden reflects our mission to love both the mom and baby.

May the Garden be a place that provides comfort and peace to grieving families.

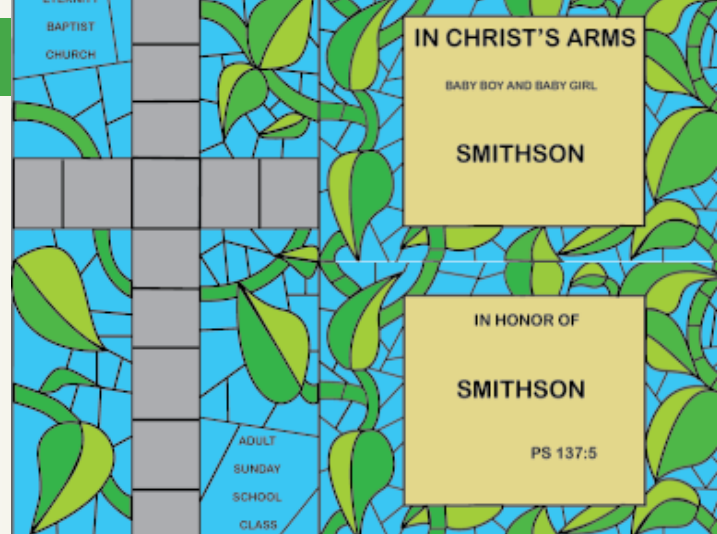

"Before I formed you in the womb I knew you. . ."
Jeremiah 1:5

The Wells Family

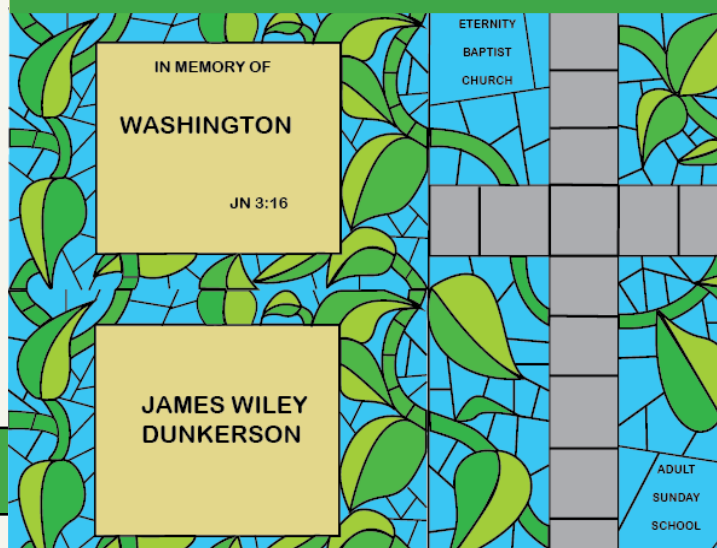

A sweet friend donated a wall tile in memory of our twins. Our family is so incredibly blessed by The Center and the Garden of Hope Wall. We had our sons, Wyatt and Weston's, 1st Heavenly birthday memorial there and continue serving in the Garden of Hope with our Sunday School class. We are grateful to have such a special place to visit and remember our precious sons.

“God’s Rosebud”

*The world may never notice
If a rosebud doesn’t bloom
Or even pause to wonder
If the petals fall too soon,
But every life that ever forms
Or ever comes to be
Touches the world
In some small way for all eternity.
The little one we longed for
Was swiftly here and gone,
But the love that was then planted
Is a light that still shines on
And though our arms are empty
Our hearts know what to do
Every beating of our heart says,
“We will remember you.”*
