

2021 Walk for Life Team Captain Guidelines

Together, we make a Difference for Life

Teams are made up of 4 or more individual registered walkers soliciting sponsorships (raising donations) and recruiting/signing up more registered walkers to their team and fund-raising efforts.

Step 1: Name your team

Registered walkers (*joining a team or registering as an individual walker*) pay the \$25 registration fee and receive a limited-edition 2021 Walk for Life t-shirt. **ONLY registered walkers** will receive a t-shirt.

Step 2: Build your team by recruiting team members

Sponsors (*the people donating to your team*) can be any individual, organization or business that is not already represented on the t-shirt.

Step 3: Your sponsors can be anyone, anywhere

Team Captain & Individual Awards* are presented to the Team Captains of the top 3 fund-raising teams, the individual-registered walker with the most sponsors and the individual registered walker with the most money raised.

Step 4: Bask in the success of your team

** Individuals, and organizations or businesses sponsoring the t-shirt do not count toward individual or team fund-raising totals.*
